

Welcome to Tuesday Women's Bible Study

Whether you are returning to Bible study or are new to it we are *VERY glad* you have followed the Holy Spirit's prompting to join us. If you are returning this session you will see from reading the Welcome Letter that there are a few changes this session. The first change is that this session we are not studying a book of the Bible. We are privileged to study a newly written and released book by Pastor Paul – Called to Be Free: A Study on Biblical Dispensationalism. It will prove to be enlightening for those who have been attending CCF for many years, as well as for those newer members learning about dispensations for the first time. Seasoned member or new this is a study you will want to attend and you'll be glad you did!! You will be able to pick up a copy at Bible Study - see below for details.

Our Admin Team: We are here to help you!! You can find us by the women's ministry logo on the name badges. We are here to make your time with us as comfortable as possible. We will guide you in getting the lay of the land. Just reach out if you have any questions or need anything...we are always glad to help!

Entrance: *Please enter the sanctuary through Door C only.* This is the main door we'll be using for Bible Study. As you enter the church building, it is the far-right door & is opposite the kitchen. There will be a greeter in the lobby to direct you. This is the door we need you to use each week – this is for security purposes. *If you have never attended Bible Study please stop by the tables in the back of the sanctuary as you enter to get your permanent name badge. If you are returning and have lost your permanent name badge, please fill out the form "Name Badge Needs" in the center of your table. It will be waiting for you the following week at the back table.*

Dispensation Books: Pastor Paul's Book: Called to Be Free: A Study on Biblical Dispensationalism will be available at Bible Study weekly, starting with the first day, Oct. 1st. The *book is a requirement* of the study this year and will be available to all ladies on the first day of each ladies attendance. You can pay for the book by putting exact cash or a check (no credit cards) into an offering envelope which we will give you with the book. For scholarships, please confidentially contact Cheryl at ccfwomensministries@gmail.com. **NO AMAZON PURCHASES, PLEASE:** While Amazon has Pastor Paul's book on their website - we DO NOT want you to buy the book from them. If you have purchased one please return it to Amazon. It is surely within the return window. We DO want you to buy the books from Women's Ministries/Bible Study so that CCF doesn't end up warehousing unsold copies. We have purchased more than enough for our Bible Study! If you have any questions, please contact Cheryl at ccfwomensministries@gmail.com.

Fellowship, Lesson Table Discussion, & Prayer Time: See the Agenda above. Arrive at 9:30 for coffee and fellowship. It's a great time to wander around and meet new ladies. As Brenda teaches jot down ideas you'd like to discuss with your table or questions you might want her to answer the next week. After Brenda finishes teaching each table will have discussion time until 12 noon. Upon finishing end in prayer, if you wish.

Lessons & Teaching: * Please note: Brenda's teaching may run over the time allotted on the agenda. If she is in the middle of an important section of the lesson she may wish to complete that which could cut into your table discussion time.

Your Name Badge: You will each have a name badge in a plastic sleeve to be attached to your blouse or top. Those of you returning will already have their permanent name badges. Please be sure to wear it. If this is your first time to our Bible study, you can pick up your name badge at the back table. You will keep this name badge and bring it to Bible Study each week for admittance. It is easy to tuck it into your Bible or study binder so you'll always have it each week. This cannot be stressed strongly enough: Name badges are REQUIRED - they are for security *and* emergency purposes. ONLY those wearing name badges will be admitted. Please be sure you have it!!

Prayer Requests: If you have a prayer request, please write it on a 3 x 5 card that will be available in the center of each table. The prayer request card needs to be deposited in the box on the Prayer Table at the back of the room at the end of the study. Please do this as quickly as possible as the Admin team must have the room cleared and broken down by 12:30 pm. All the prayer requests will be transcribed and emailed to you on Tuesday or Wednesday each week so you can pray during the week.

Q & A: During Brenda's teaching you may have a question. Please write it on one of the 3 x 5 cards in the center of the table. At the end of study put the card in the box on the back table marked "Q & A." Brenda will answer these questions at the beginning of Bible Study the following week before she begins the lesson. Please be sure to write your name on the card. *Brenda will not mention your name* to the group but may need to contact you regarding your question. If your name is not indicated your question may not be answered.

Seating: We have open seating. Please sit wherever and with whomever you wish. If you're new to the church changing tables periodically is always a good way to connect and so is attending during fellowship time.

Fragrances: We have a "Fragrance-Free" policy for Bible Study. We have women who are sensitive to scents and we ask that you resist spritzing before you come to study.

Goodies & Beverages: We have coffee, decaf, hot tea, and bottled water available for you to enjoy. In addition, if you would like to share homemade or store-bought goodies with the group, we welcome that and appreciate your generosity. We have only one rule: please make it *finger food only* that can be eaten off a napkin. We do not have plates, bowls, cutlery, etc.

Absences: If you are unable to attend Bible Study, you are encouraged to review the lesson Brenda taught. The best way to know where we started and stopped would be to check with a friend and then read the study to stay current.

NEW THIS YEAR:

- **Historian (Photos) Ministry:** We have a new position on the Admin Team. It's that of Historian. Do you have a creative gift? *Are you good with your cell phone? Do you like to take pictures?* Women's Ministries needs you to: Take pictures of activities throughout the year (people registering, worshipping, fellowshiping, catching funny candid shots, Brenda teaching, etc.). Also, you will be going around to each table and taking "head shots" of the ladies. These will be given to the staff to upload to the church database.
- **Card Ministry:** *Are you blessed with the gift of "Helps?" Do you have a heart for giving someone a hand up when "they're down?" Are you an encourager? Do you enjoy receiving and sending cards?* This ministry needs you. We want to stay in touch with all our ladies in Bible Study especially when they hit a rough patch or may be in a season of trials. Reaching out by sending cards is one way to do that. We do so much electronically these days that receiving cards in the mail is like receiving a gift, not just a message. We want to send: Get Well, Thinking About You, Praying for You, etc. cards.

Special Needs: Please contact us at the email below if you have special needs or requirements. We will accommodate you in any way we can. Please feel free to reach out with any special needs, questions, comments, or concerns... Cheryl Teague, Women's Ministries Administrator @ cfwomensministries@gmail.com .

We're looking forward to seeing you soon!
